PREFACE

Sangola Taluka Shetkari Shikshan Prasarak Mandal runs the **Vidnyan Mahavidyalaya, Sangola** from Sept. 1991. The College was commenced with 78 students of the Science faculty. In 1993, Arts faculty was also started. The college started new faculty B.C.S from academic year 2006-07. Since last 18 years the strength of College is increasing per year and in academic year (2009-10) it was reached to 1520.

Six special subjects from Arts faculty and **six** special subjects from Science faculty up to graduate level are in full swing. There is facility provided to complete Post Graduation in English and Computer Science subjects.

NAAC Peer Team visited the college in the month of **July 2004** and accredited the college with 'B' grade. As per NAAC guidelines we have great pleasure to submit AQAR of year **2009-2010** which will give brief idea of academic, cultural, social, extension and some other activities running in college.

Thanking You,

Co-ordinator

16	Principal Dr. Latane Rajesh Shashikant	Member (Local Society)

PART-A

The plan of action chalked out by the IQAC in the beginning of the academic year 2009-2010 towards quality enhancement.

The IQAC planned and discussed on following points.

✚ Curriculum Aspects:

The teachers from Board of Study and members of subcommittee of syllabi making consider the opinions of students while framing the new syllabi, and avoid the outdated and abnormalities from the syllabi if any. It is planned to start some add-on courses like Beauty Parlour, Fruit preservation. Also trace should be given on applied and job oriented syllabi. Framed syllabi should be covered within stipulated time, which should be checked by principal.

✚ Teaching, Learning and Evaluation:

The procedure of introducing the course, lessons/ teaching plan/ Examination pattern/ Evaluation methods by faculty to students should be continued at the beginning of Academic term. The syllabi should be made available to the students. The feedback from students should be collected at the end of term, which would be analyzed and consider the proper suggestions. The provision should be made for the advance learner and poor learner. It is planned to use modern teaching aids in teaching, learning and evaluation.

The faculty should be relieved to participate in Seminars/ Workshops/ Refresher courses etc.

✚ Research Consultancy and Extension:

Suggested to promote the teachers for further research and register for Ph. D. The researches should be allowed to participate in Research paper/ poster presentation. It is decided to submit the minor research projects to UGC if the college gets recognition under 12 (B).

✚ Infrastructure & Learning Resources:

To continue the pure drinking water facility, an emergency medical facility, play ground and sports facility to the students as a basic requirement and also leisure time facility.

To fulfill the increasing need of infrastructure and other facilities it is decided to construct the required infrastructure and purchase the materials for practical work and also purchase the modern teaching aids.

✚ Student Support and Progression:

Distribute immediately the Scholarship from Government for ST, SC, OBC and related students. Provide the facility of S. T. passes to outside students. To organize the alumni meet to get the suggestion and help from them. Strengthen the student's career and guidance cell. The important instructions related to students should be displayed on notice board. Arrange campus interview, and pay attention on student's problem individually.

Organisation and Management:

Some members from management are the members of IQAC; they consider the increasing demands, fulfillment of infrastructure, academic and financial discipline of the institute. It is planned to construct new 8 classrooms, ladies toilet, compound wall, parking shed, also decided to purchase a land for construction of women's hostel in future.

Library:

To increase the number of books and other library facility to students and staff to cope increasing number of students and changed syllabi of various subject.

Culture, Sports, NCC and NSS:

To promote the students to participate in Youth-Festival a cultural program, different sports competition at zone, university and inter university level, NCC and NSS camp programs.

New Courses:

To submit proposals to university and government regarding new courses as a natural growth i.e. M. Sc. II (Computer science) and NCC for B. A. Part- I.

Outcome/ Task completed in 2009 – 10

As per the planning of the IQAC formed and as per the guideline of NAAC and efforts of Principal, teachers and administrative staff we achieved following outcome (task completed) in year 2009 – 10.

Curriculum Aspects:

Some of teachers actively participated in syllabus framing. The syllabi were completed in stipulated time. Principal checked through heads of department time to time whether the syllabi was being completed satisfactorily or not.

Teaching, Learning and Evaluation:

All teachers introduced the course, lessons/ teaching plan/ Examination pattern/ Evaluation methods to students at the beginning of Academic term. The syllabi were made available to the students. The feedbacks from students were collected at the end of term by committee, which were analyzed by principal and considered the valuable suggestions. The books and educational facility was supplied to advance learner and poor learner. The modern teaching aids like OHP, Multimedia, and Internet are in use.

The 13 teachers were send to Refresher/ Workshop/ Seminars etc., as per planned in IQAC Cell.

✚ Research Consultancy and Extension:

Unfortunately we couldn't get a recognition from UGC under 12 (B), so couldn't submit the research project to UGC. However some of faculties are engaged in Ph. D. research activities.

The faculty presented their research paper in 2009-10

Faculty	Research Area	Organizer	University/ National/ International	Participated / Poster / Presented/ Resource Person	Duration
Prof. Dhasade S. S.	Advances in Laser and Spectroscopy-2009	Dr. Hari singh Gour University, Sagar	National	Poster	27,28/02/2009
Dr. Kasabe D. K.	Two day National conference on, "Kabir ka samajik chintan"	Annasaheb Waghire Mahavidyalaya, Otur, Pune	National	Paper Presented	05,06/03/2010
	Two days National conference on, "Adney ke sahitya mein prayogdharmita"	University of Pune	National	Paper Presentation	26,27/02/2010
	Two Days National conference on, "Adivashi Vimarsh: Sthithi evam Gathi"	Shivaji college, Barshi	National	Paper Presentation	24,25/02/2010
	Seminar in, "Jansanchar Madyam aur Hindi"	New A. C. S. College Shevagav	National	Paper Presentation	01/02/2010
	National conference in Hindi	Chandamal Tarachand Bora, Mahavidyalaya, Shirur	National	Participated	15,16/01/2010
	17 th Maharashtra Hindi Conference	Arts, Commerce & Science College, Junnar, Pune	National	Paper Presentation	25,26/12/2009

The faculty published their research paper in 2009-10

Name of Faculty	Research Area	Name of Journal	Regional/ National/ International	Communicated/ Accepted / Published/	Duration
Prof. Dhasade S. S.	Measurement of Properties of Disc thin film	Bio-nano frontier ISSN 0974-0678	International	Published	2009-10
Prof. Patil B. D.	Agriculture land use pattern in Solapur district of Maharashtra	International Journal of Agriculture sciences ISSN 0975-3710 Vol.II	International	Published	Feb. 2010

Extension Activity: Botany and zoology departments are engaged with extending the extension activity like plant identification, garden planning, and blood group identification etc..

Infrastructure & Learning Resources:

Pure drinking water, toilets, canteen, parking, play ground and sports facilities were made available to the students as fundamental requirements. To get an emergency medical facility the institution has made agreement with nearby Hospital.

The construction of the required infrastructure was done worth ` 8,19,538/-.

Student Support and Progression:

The scholarships by government were distributed immediately to the students of NT, SC, ST, OBC and minority students. As well as Institution is providing the facility of S. T. passes to outside students. B. Sc. Passed out students were contacted personally informing that to contact and attend Force Motor Ltd. Comp. for the campus interview at Solapur.

The notices concerned to students were always displaced on the notice board.

Organization and Management:

Some members from management who are the members of IQAC, they bought the increasing demands, fulfillment of infrastructure, academic and financial discipline of the management, so institute got new required infrastructure. Beside this Institute's and Management's financial audit was get completed within time.

Library:

To cope with the increasing demands of students and faculty, the institute purchased the new books and other library facility. According to changed syllabi of various subject the new number of Reference Books, Textbooks, Journals, Periodicals, Novels, Plays etc. were purchased of worth Rs. 1,21,267/-.

Culture, Sports, NCC and NSS:

The students participated in a various cultural competition like –Youth Festival and got prizes for that. Many students were played in various sports competitions at University, Interuniversity level and represented the college at National level

33 NCC cadets appeared for 'B' certificate and 07 students achieved 'C' Certificate in the examination. The Polio and blood donation camp was

organized by the NCC cadets. Two NCC cadets participated in NIC camp at Mysore. In Jan 2009 five cadets were participated in Army Camp which was held at Ahmednagar. The college and NCC Unit had organized Battalion level ATC training camp of 500 cadets for 12 days.

The special camp of NSS was organized at Solapur University campus by university itself. During the camp 100 students (65 boys & 35 girls) were participated. They dug out a huge trench of 200 meter for plantation of trees in University campus area and to protect the soil erosion from rain and flood water. Also they displayed the street play on Farmer's Suicide, the burning problem of Maharashtra's farmer. Presented mime on AIDS and Environmental awareness.

New Courses:

As planned new class of B. C. A. -III, M. Sc. -I (Computer Science) were started in Academic year 2009-10.

PART-B

1. Activities reflecting the goals and objectives of the Institution.

➤ Goals:

1. To impart education of high quality.
2. To broaden the view of higher education.
3. To strengthen knowledge based development.
4. Inclusive growth for socio-economic changes and sustainable development.

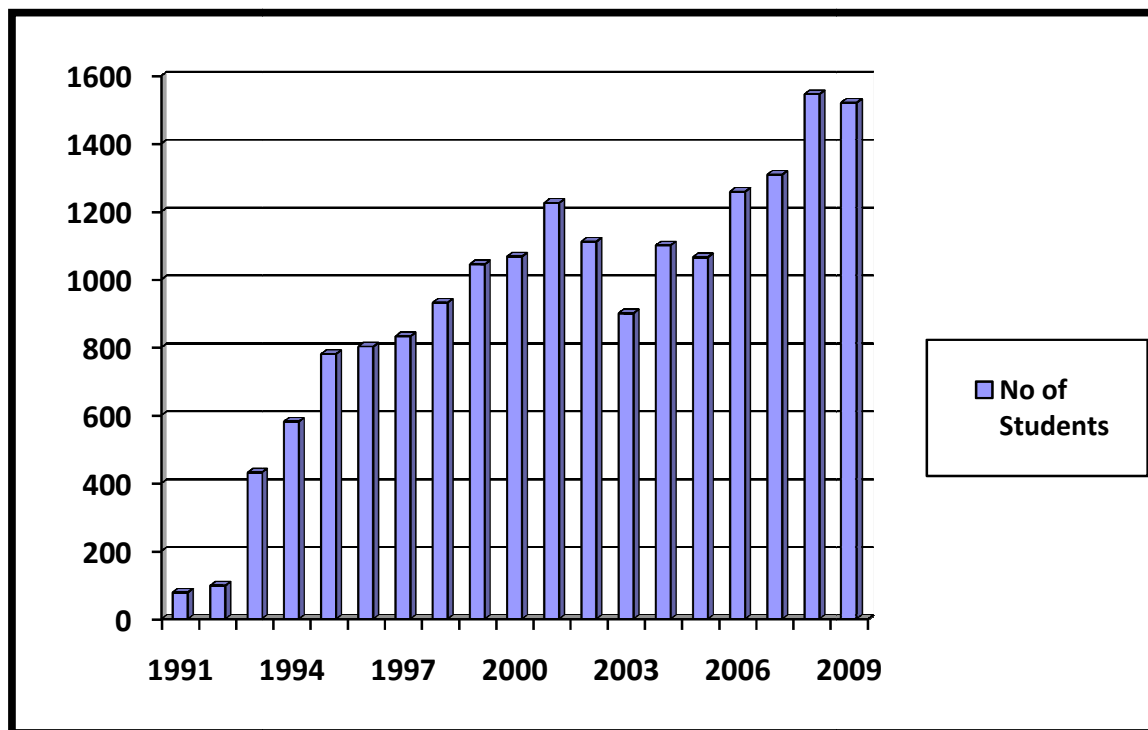

Aims and Objectives of the Institution

- ❖ To open the schools & colleges in order to give primary, secondary, higher secondary, vocational, technical education and also higher and professional education to the students, especially from the rural area.
- ❖ To open the Montessories, Laboratories, Technical training centers, Libraries and hostels for boys and girls, in order to help them to complete education, upbringing them in the main stream of society and to create an interest and awareness about education.
- ❖ To provide scholarship & other facilities in order to develop all round personality of students and to develop their mental, physical health and economic status. To create a sense of patriotism, social responsibility and environment among students.
- ❖ To give the guidance & information to students and people from rural area by the experts from academic, social, political, cultural, agriculture and economic fields.

- ❖ To create volunteers and social workers and to train them in order to develop the rural area in all fields.
 - ❖ This institution does not believe in any caste, religion and discrimination. All students from any caste are admitted in the college; especially students from reserve category are admitted with priority.
 - ❖ This is non-political institution.
- The Sangola is situated in remote and drought-prone area of Solapur district, in Maharashtra. Up to 1991, there was no Institution in existence providing the education of science faculty. So most of the students could complete their graduation through Art faculty only. Especially for ladies students this difficulty was more severing. So the society was demanding to open the college with Science faculty. By considering the society's demand and student's willingness, Sangola Taluka Shetkari Shikshan Prasarak Mandal opened the college named; '**Vidnyan Mahavidyalaya Sangola**' in 1991, providing the education of science faculty. After 2 years that is from the academic year 1993, Arts faculty has also started. Now the college is providing the quality education to the pupils in

B. Sc.	B. A.	B.Sc. (Computer Science)
B. C. A.	B. Sc. (E. C. S.)	M. A. (English)
M. Sc. (Comp. Sc.)		

The college started with 78 students in 1991 and this year the strength was 1520. This increase in the strength shows that we are approaching towards goals and objectives of the institution.

The subject wise results of 2008-09:

S. N.	Name of the Subject	Result in %
1	Physics	77.77%
2	Chemistry	87.00%
3	Mathematics	100%
4	Botany	100%
5	Zoology	100%
6	Computer Science	100%
7	English	81.81%
8	Geography	94.11%
9	Marathi	77.86%
10	Hindi	77.77%
11	Economics	83.33%
12	History	94.00%

Overall University Examination results at degree level is given below

Result of B. Sc.III (2008-09)

students appeared in exam	Students absent for exam.	students got more than 70% Marks	First class	Second class	Pass below second class	Total pass	Result %
42	--	04	13	21	--	38	90.47%

Result of B.A. III (2008-09)

students appeared in exam	Students absent for exam.	Students got more than 70% Marks	First class	Second class	Pass below second class	Total pass	Result %
153	07	03	19	78	06	106	61.81%

This result indicates about our quality education.

2. New academic programmes initiated (UG and PG).

Program	Course Title
UG	M. Sc. I (Computer Science)
Certificate	1. Beauty Parlor course 2. Fruit Preservation course

3. Innovations in curricular design and transaction:

- The faculty contributed in syllabi framing as per UGC guidelines. Framed syllabus was implemented with modern teaching aids. For these the term and monthly planning were done at the beginning of term.

- For better transaction the faculty provides the study material and teaching aids to the learners.
- Prof. Suryavanshi R. S. and Prof. Mrs. Gaikwad S. A. have written the practical book based on UGC's new syllabus for B. Sc. I class.

4. Inter-disciplinary programs started:

- The University syllabi have already Inter-disciplinary subjects for B.A.-II. Environment science has been introduced as compulsory Inter-disciplinary subject at part III class for Science.

5. Examination reforms implemented:

- The college is affiliated to the Solapur University and follows the Examination pattern and evaluation schemes designed by the University. Beside this the college arrange Terminal Examination of University pattern for every class. Each department conduct the tests.
- College conducted examination for B. Sc. Part I, and B. A. Part III students after completion of syllabi.

6. Candidates qualified: NET/SLET/GATE etc.:

- The college is not having PG courses (except English, Computer science), so candidates could not eligible to attempt NET/SLET/GATE etc. Some passed out students are qualified the NET/SLET examinations after completion of their PG from other Institutes.

7. Initiatives towards faculty development program:

➤ For the faculty development the teachers were deputed to attend the following activities

- Orientation course
- Refresher course
- Seminars
- Workshops
- Conferences
- Symposiums

➤ This year following faculties were deputed for various courses (14)

Name of the faculty	RC,OC-Program/ Training/ Workshops/ Others	Area of Training	Name of Institute	Duration From - To
