Physical Maintains of the Building 2018-19

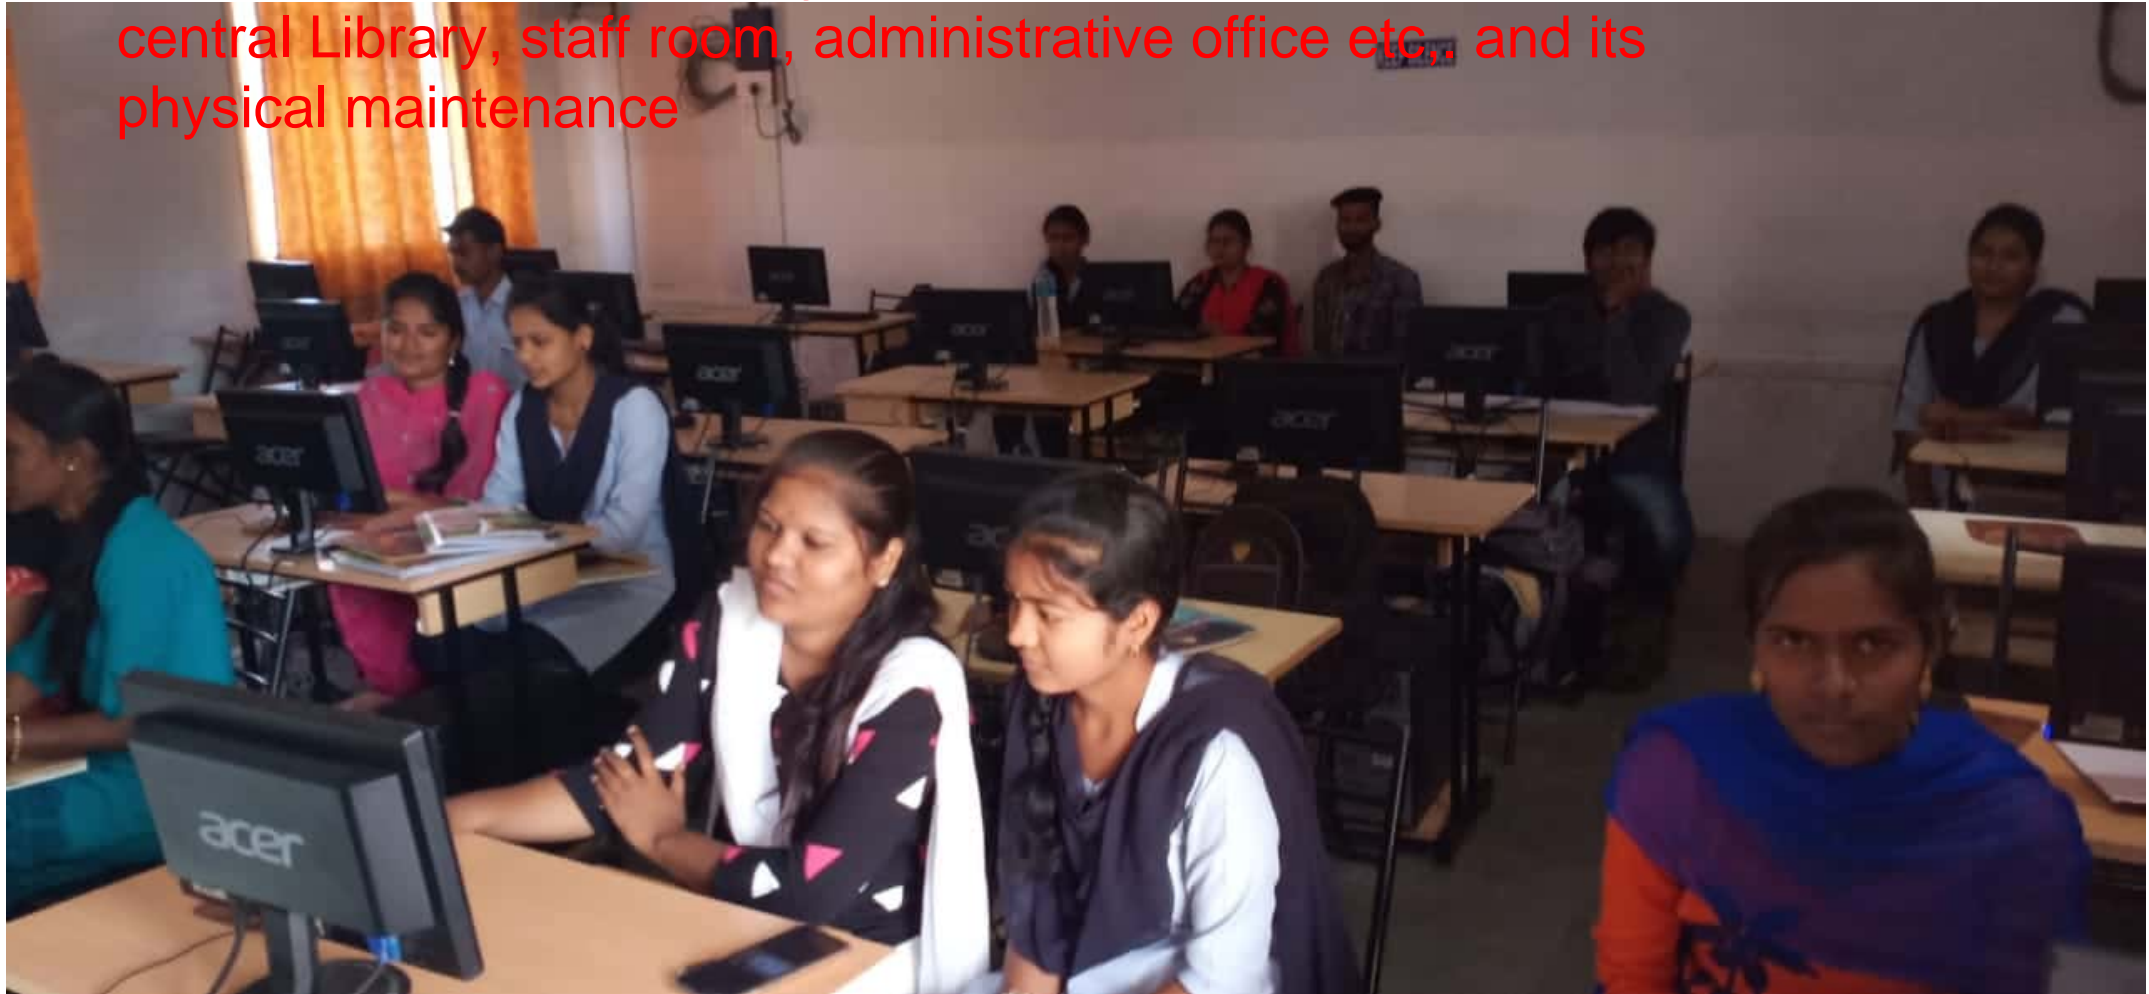

The college has 16 class rooms and 16 laboratories with all the facilities available. The entire surveillance of the college is covered by CCTV cameras and 48 CCTV cameras are installed at different places throughout the college. All the laboratories are guarded and secured and equipped with information communication technology. 243 computers have been made available. All the computers have been provided with internet connection and have been made available for the use of the students. The laboratories of the college have also been brought under CCTV cameras. CCTV camera is also available in the principal cabin and cameras are installed in the administrative office and all experimental schools so that its physical maintenance is convenient. All the laboratories in the college are protected by installing fire extinguishers. The facilities are updated from time to time.
