To whomever it may concern

The students of B.Sc. III year Chemistry of Vidnyan Mahavidyalay Sangola have visited the Mrudula laboratory during 01/01/2020 to 31/01/2021 to learn the practical procedure for water and soil analysis. In this tenure they have learned how to analyze the different parameters of water and soil samples using the instrumentation available in our laboratory. They have successfully learned the procedures to analyses the different water and soil parameters. They have also discussed about the latest research regarding the same. This program was held under the MOU between

1) Vidnyan Mahavidyalaya Sangola

And

2) Mrudula Laboratory Sangola

The program was successfully conducted during 01/11/2020 to 31/01/2021.
