

### Annual Report Student Satisfaction survey 2021-22

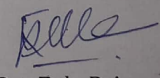

The IQAC is made available online Student Satisfaction survey forms to collect survey on Syllabus, infrastructures, extension activities and teachers performance on teaching learning and evaluation process. The College has constituted Student Satisfaction survey committee to conduct survey. The questionnaires taken are drafted by NAAC Bangalore. The survey is categorized in four category such as 4- Excellent, 3 - Very good, 2 - Good, 1 -Fair, 0- Poor. The processing of collecting SSS was initiated by IQAC in the month of August-2022 by sending mails to all students. Student Satisfaction survey committee submits analysis report to principal, then Principal informs to management for improvement and necessary action. This report is used to understand the strong and weakness of infrastructure and teachers performance. Accordingly necessary steps to be taken are suggested as well as discussed by the Principal. The Principal in turn has interaction with the management on relevant issues. The analyzed report is also discussed in meetings of IQAC and head of the departments. This year (2021-22) 919 students are taken part in the survey out of 1721 total number of students enrolled in the college. Last year our target is to achieve 75% of total students enrolled in the college to take part in SSS process and we were near to achieve the target. From current year it is decided by committee to increase the response upto 80 % of total enrollment. As per last year's suggestions from students near about all departments have completed syllabus in time.

#### Action Taken:

- 1) To use still more ICT tools as alternate or innovative methods of teaching and evaluation
- 2) Conducting interactive sessions to enhance teaching ability and proficiency
- 3) An insight into the departmental activities and committee activities being conducted are discussed during the meeting with the Principal and IQAC and also an exchange of assistance required etc are discussed
- 4) Suggestion are given to all Heads of the department to prepare academic calendar and teaching plan to strengthen teaching process

Suggestions

Good teacher, good student, silent place,

Teaching in PPT.

Every thing is all right I think

1) Explains the new concepts about the particular topic with multiple examples/metaphors (atleast 2) in the simplest language , that would be relate with us quickly. 2) Creates humour 'bout relating concepts, making us more active while learning it. 3) Makes us use our brain to revise about the previous concepts by giving hints so that to relate it to the current topic.
