Annual Report Feedback Committee 2020-21

The IQAC is made available online feedback forms to collect feedback on Syllabus, infrastructures, extension activities and teachers performance on teaching learning and evaluation process by the students. The IQAC has also made available online feedback forms on syllabus and overall performance of the college by Ex student, Teacher, subject expert, Industrial expert. The College has constituted feedback committee to conduct feedbacks on assessment of faculty and supporting staff. The feedback committee also conducts feedbacks on syllabus of each course. The questionnaires are drafted by the IQAC and feedback committee. The feedback is categorized in four category such as average, good, better and best. Students are asked to grade teachers on a these category under different aspects, like promptness, punctuality, use of reference books, understanding of their subject, innovative teaching aids like ICT and 3D different modules, interaction with student, conceptual knowledge, trick to develop logic, additional information beyond syllabus, scope of the subject etc. Feedback committee submits analysis report to Principal, then Principal informs to teacher via confidential report. The confidential report contains the category grade points obtained by the faculty. This report is used to understand the strong and weak areas of teachers. Accordingly necessary steps to be taken are suggested as well as discussed by the Principal. Suggestion boxes are kept for informal feedback from Parents. Formal feedbacks from alumni is also obtained and analyzed. The analyzed report is communicated to the Principal by feedback committee. The Principal in turn has interaction with the management on relevant issues. The analyzed report is also discussed in meetings of IQAC and head of the departments. Each teacher is then asked to write an action taken report about the changes brought by them. If the reports of some teachers point out some major lacunae, the Principal counsels these teachers and keeps a track of their performance.
