Request to Parents

Students, teachers and parents are the three pillars of the educational system. Parents of the student must be alert and conscious about the study, regularity and behaviour of their wards. Besides giving education, the college always tries to develop the all- round personality of students and their behaviour. To give success to the efforts of the college, parents can help it by taking into consideration following guidelines: -

- 1) Parents must be alert about the regular presence of their wards in the college.
- 2) The college arranges home works, tests, and terminal examinations in each term. Besides this, various programmes and activities are arranged in the college from time to time. It is the duty of the parents to see whether their sons and daughters remain present or not in the college for the above activities.
- 3) It will be better for the progress of the students if parents would take the report from the Principal about the study, behaviour, etc. of their wards or they would meet the Principal in the college during office hours.
