Subject – Letter of Appreciation

Respected Sir,

We are very much thankful for delivering a valuable **guest lecture** on the topic entitled “**Thin film and Characterization Techniques**” dated on **Monday, 17th April 2023** at 12:00 pm under RUSA component-8. You have accepted our humble invitation & guided all the B.Sc.III and M.Sc.I students of the Department of Physics.

Your lecture will definitely enlighten all the B.Sc.III and M.Sc.I students to make awareness about thin film and their versatility to provide tailored properties have to found application in a number of sectors going for wear and corrosion protections, to more advanced application such as antireflective coating, photovoltaic etc.

Thanking you,

Yours faithfully
